She also had learned to play on both guitar and bass guitar and to produce a massive amount of energy as a harmonious band of galactic masters. T.H.E. is also the queen of psychedelia. Her debut album "Clandestine Charms", released in 1980, was directly influenced by Pink Floyd, Love, and Cosmic American Music. The album made her into a musical icon, when T.H.E. was parading around in a red capes, high heels and stilettoes and full of fun, attention and made a lot of references to her record label, Mystic Records. Since then, T.H.E. has recorded many albums and even released her first single "The Night Of The Solar Eclipse". Between 1988 and 1991, she produced the album "TV Lucid", which put her firmly at the forefront of the New Age music scene and established her as a true musical icon. "TV Lucid" was celebrated as the definitive album in the genre b7e8fdf5c8
